BE A PART OF HISTORY: JOIN GEORGE GASCÓN'S TEAM OF PROGRESSIVE PROSECUTORS

Are you passionate about helping people and dedicated to reshaping the future of justice? Join a historic administration of prosecution committed to justice, reform, and victim advocacy. Our mission goes beyond traditional prosecution: we prioritize the needs of victims while serving as a vanguard of transformative and innovative criminal justice policies. We are committed to reshaping the justice system, prioritizing the needs of victims while also addressing systemic biases. Our focus is on keeping communities safe by addressing the root causes of crime and promoting rehabilitation and support. With that guiding principle in mind, every day you will work alongside our team of expert trial lawyers who are recognized nationwide for their excellence and diversity. Many of our attorneys have risen to become esteemed judges and leaders in the legal community. We're looking for candidates ready to embrace this dynamic, forward-thinking opportunity.

Here, the excitement of real-world trials is your daily reality and not a distant dream. Engage directly with impactful cases and experience the thrill of advocating for justice right from the start of your career all while having a team of nearly a thousand seasoned trial attorneys behind you. This is the Los Angeles County District Attorney's Office. Your legal education will take flight and transition from theory to practice in an exhilarating journey at the heart of the justice system. You'll be part of a team that's not only recognized for its trial expertise, but also for its dedication to diversity, equity, and inclusion. In addition to unparalleled professional growth, we offer competitive salaries, benefits, and a supportive work environment set against the backdrop of sunny Southern California's beautiful weather and diverse communities. If you're ready to be a part of this dynamic and diverse team, shaping the future of justice and community safety, we invite you to bring your passion and skills to our team.
